

DETROIT SCHOOLS

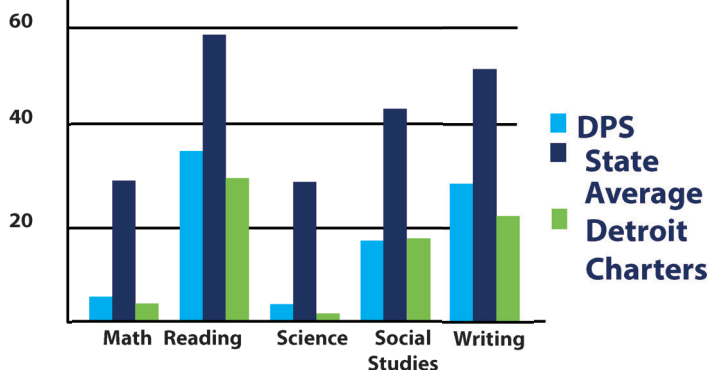

Educating our future for lasting success

● ● **TIME TO ACT** ● ●

DETROIT HIGH SCHOOL STUDENTS ARE NOT PREPARED

The percent of high school students who are proficient in these subjects:

CRUSHING DEBT

\$515
MILLION

by summer 2016

KEY ACTION ITEMS

We need to work together to develop an approach that ensures Detroit's children receive a high-quality education

The new system for schools in Detroit would require \$200M in startup/reinvestment funding. The previous Detroit Public Schools system would be responsible for that \$200M and the \$515M in legacy liabilities for a total of \$715M, which is expected to be repaid by FY28.

Invest in Detroit's public schools,
\$720 million from Michigan's tobacco settlement proceeds
